Exhibitors of stock will be required to furnish all particulars as to age and pedigree of each exhibit; also breeder's name - where such is known - and such other information as the Committee may require or demand, and a declaration from each exhibitor of sheep must accompany their entries, stating how the sheep have been fed (either on natural grasses or artificially; if artificially, what food has been used, whether such sheep have been housed, and if so, for what period; the date of shearing and that the sheep have been honestly shorn, and whether by hand or machine; and that the particulars given in the entry are true and correct). The Committee reserve for themselves the right to disqualify any exhibits improperly entered, or regarding which any false statements have been made. 5. Any person interfering with the judges during the time they are adjudicating may be removed from the ground.
6. Should any dispute arise as to the awarding of prizes the matter will be referred to the Committee, whose decision will be final.

10. Only ribbons and prize tickets won at the Show can be affixed to exhibits while on the Showground.
