At the time of the 2025 show, I spoke of large parts of southern NSW being in drought, and how we had been largely insulated from that with good rain setting up the winter cropping season. Unfortunately drought seems to have found us in recent months, and the prospects for this winter cropping season do not look as favourable.

Thankfully livestock prices remain very strong, allowing producers to offload stock or feedlot stock. Even wool prices have improved significantly in recent months. We all hope that the dry spell is short-lived, and we can return to more normal seasonal conditions soon.

The local agricultural show has a long tradition of bringing people together to celebrate the achievements of the year, to compete against each other in friendly competition, and to catch up with friends. This has great benefits for mental health, and I hope that this tradition can continue for a long time to come.

The Gilgandra High School has a very strong agriculture program, with many students competing in the Young Judges Competition and volunteering to help in the pavilions. Our future is in good hands.

In closing, I must thank our committee of volunteers for their ongoing support attending meetings throughout the year. We owe a big debt of gratitude to Rochelle Easman, who has taken on the secretary's role for this year and has done much of the "behind the scenes" work to make this show happen.

I hope you enjoy the 110th Gilgandra Show.

Thank you and best wishes,

*Alan Smith*

## Definitions:

**An intermediate horse** is one that has not won 1st, 2nd or 3rd place at any Royal Show.

**Pony:** 14 hands and under.

**Galloway:** Over 14 hands and not exceeding 15 hands.

**Hack:** Over 15 hands.

**ne** denotes "not exceeding".

**>=** denotes greater than or equal to.

## Stallion Safe Practices Guidelines

These guidelines are consistent with Equestrian Australia's (EA) focus on improving safety by identifying risks and putting in place measures to mitigate those risks.

1. **Stallions must wear official 'discs' at all times whilst at the venue.** These discs are to be worn on both sides of head collars and bridles or on some part of the horse on both sides to identify to others that the horse is a stallion.
2. No stallion is to be moved around a venue without displaying the stallion discs and a suitable restraint. The restraint can be either a bridle, a rearing bit, or a chain lead rein over the nose or under the jaw.
3. Where possible all stallions are to be stabled. If suitable stabling is not available stallions need to wear a collar, which is securely tied to the outside of a truck or trailer. Stallions tied to the outside of a truck or trailer **MUST** be always supervised.
4. Stallions may be substituted in prize-giving ceremonies with another horse should the rider deem it to be safer.
5. It is recommended that riders and handlers of stallions at shows be over the age of 17 years; however, it is the responsibility of the parent/guardian to understand the full code of conduct for stallions at events. Except for rule 1.1.8 in the EA Show Horse Rules and Guidelines, stallions are not permitted in Show Horse classes at EA state or championship events. All riders/handlers under the age of 17 years must be supervised by an adult/parent/guardian whilst at the event.
6. It is the stallion owner's/rider's responsibility to ensure that all possible safety precautions are taken.
7. Floats/trucks that transport stallions should display the official magnet giving notice that there is a stallion on board.

The use of the horse and float identification discs is compulsory at all Equestrian Australia events. The horse and float discs are available for purchase from the National Office of Equestrian Australia. Only the approved discs will be permitted.

## Rules and Regulations For Exhibitors

1. All entries received are subject to the Rules and By-Laws of Gilgandra Show Society Inc. (*The Society*)
2. All competitive exhibits must be the bona fide property of exhibitor except where otherwise stated on Schedule. Exhibitors of stock will be required to furnish all particulars as to age and pedigree of each exhibit; also breeder's name - where such is known - and such other information as the Committee may require or demand, and a declaration from each exhibitor of sheep must accompany their entries, stating how the sheep have been fed (either on natural grasses or artificially; if artificially, what food has been used, whether such sheep have been housed, and if so, for what period; the date of shearing and that the sheep have been honestly shorn, and whether by hand or machine; and that the particulars given in the entry are true and correct). The Committee reserves for themselves the right to disqualify any exhibits improperly entered, or regarding which any false statements have been made. If any doubts arise as to the correctness of the declaration of any exhibitor, such exhibitor shall not be entitled to any prize which may be awarded to them until the Committee shall have satisfactory proof that the declaration is correct; and any exhibitor having made a false declaration shall be subject to any of the following penalties: Forfeiture of the prize, loss of right to exhibit in the future, and expulsion from the Show and/or Society.
3. Every care shall be taken of the exhibits, but the Society will not be responsible for any loss or death.
4. In a section where there is only one exhibit, half the prize only may be awarded; but if judges certify that the exhibit is of exceptional merit, they may award a prize. Judges may award second instead of first.
5. Any person interfering with the judges during the time they are adjudicating may be removed from the grounds.
6. Should any dispute arise as to the awarding of prizes the matter will be referred to the Committee, whose decision will be final.
7. **Protest, with \$20 deposit**, which will be forfeited if the protest is deemed frivolous, must be lodged in writing with the secretary within two hours after the award is made.
8. All exhibits must be on the ground before 9.30am and until 4:30pm each day of the Show, unless by special permission of the Stewards, under penalty of \$5.
9. Exhibitors will render themselves liable to a penalty of \$10 for removing or affixing any placard, ticket, or ribbon, except by instruction of the Stewards, who shall incur no responsibility by putting these regulations into force. All ribbons and tickets must be removed from exhibits while they are being judged.
10. Only ribbons and prize tickets won at the Show can be affixed to exhibits while on the Showground.
11. Proved willful misrepresentation of exhibit(s) will not merely forfeit the prize but render the exhibitor liable to be disqualified from exhibiting at any future Show or Shows registered under the Royal Agricultural Association of New South Wales.

13. The Committee reserves the right to change, add, combine, or delete any classes without notice.

### Some Tips for Competition Cooking

1. Cakes should be baked an even colour all round, risen evenly with no crust or peaks on top. Icing if stated, should only be on top with no decorations unless stated.
2. Remove any lining paper from cakes, line tins carefully without creases.
3. Fruit Cakes - all fruit to be cut the same size, particularly cherries, nuts (but not too finely), not over flavoured with spirits.
4. Sponges - the two layers should be the same depth (weigh tins), spread very thinly with raspberry jam, no sifted icing sugar on top. Definitely no rack marks. (A good rule for all cakes, turn out onto a tea towel)
5. Biscuits - must be crisp, dainty size, delicate golden colour. Generally, each variety same size. Use whole rolled oats.
6. Jams - set but not rubbery, fruit soft, jam clear, no mould. Presented in jars which are clearly labelled. Lids to be covered if commercial.
7. Ring tins are never used.
8. Muffins and cupcakes to be baked with papers in tins.
9. Slices – uniform size.

Crops are judged on apparent yield, trueness to type and purity, freedom from disease, evenness and condition, freedom from weeds, and farming practices.

Local winner qualifies for entry in the Agricultural Societies Council of NSW (AgShows NSW) Suncorp Dryland Field Wheat Competition.

For the AgShows NSW competition, the State is divided into four regions, each of which comprises various Show Societies and NSW Farmers' Associations who organise local competitions. Gilgandra is included in the Northern Region, along with Baradine, Barraba, Bellata, Bingara, Boggabri, Bourke, Burren Junction, Coonamble, Crooble, Croppa Creek, Delungra, Garah, Gulargambone, Gurley, Inverell, Manilla, Moree, Mungindi, Narrabri, Narromine, North Star, Nyngan, Tottenham, Walgett, Wyallda, Warren, and Wee Waa.

The top five crops in each region are judged to determine the regional winners, from which the state winner is selected.

G.K. & L.H. Rohr Perpetual Shield

**2025 Competition** was won by the Bunter family, with a crop of Sunmax wheat estimated to yield 7.3t/ha.

## Gilgandra Show Society - A Brief History

In the early 1900's, there was considerable discussion amongst district landowners in regard to holding a Show, with many new settlers having arrived from Victoria, where the benefits of agricultural societies were fully recognised. At the time, the Farmers' and Settlers' Association was very well supported and held an annual Carnival.

A Pastoral and Agricultural (P & A) Association was established in Gilgandra on 25 March 1911 with the first general meeting chaired by Mr William Stockings.

The first committee meeting of the Gilgandra P & A Association was held at Tattersall's Hotel on Saturday 6th May 1911, at 4pm. Acting Secretary Arthur Fitzhardinge was voted to the chair, and announced the ballot for the election of officers and committee. This meeting also resolved to investigate the availability of suitable sites for a Show ground.

A report to the management meeting held on 11th September 1911 indicated that the Department of Lands had agreed to the allocation of a parcel of land adjoining the railway station. The committee agreed that a parcel of 40 acres should be applied for.

The first Gilgandra Show was held on Wednesday 15th May 1912 at the Racecourse, as the permanent Showground site had not yet been developed. The Show was officially opened by the then Minister for Agriculture, Mr. John Trefle. A crowd of over 2,500 attended, and entries numbered 800, far exceeding the expectations of the committee.

The first two-day Show was held on 7th and 8th May 1913, moving to an August Show in 1915. Gilgandra P & A Association joined the Royal Agricultural Society in October 1913.

In 1918, the first Showground Trustees were appointed.

Gilgandra Show was abandoned for 1942 due to the Second World War, with one-day patriotic events held in 1943 and 1944 to aid the war effort. The two-day patriotic Show was held on 14 and 15 August 1945, with the second day coinciding with the announcement of the end of World War Two. The full two-day Show returned in 1946. In 1947, the Show date was changed from August to May.

In 1988, the Gilgandra P & A Association became Gilgandra Show Society Inc. following incorporation. Our 100th annual Show was held in 2015.

Above: 1928 Pavilion Display – Balladoran District

While the 2020 Show was cancelled due to the COVID-19 pandemic, two new amenities blocks were constructed during the year. New stables were added in 2021, the Showground perimeter fencing was renewed in 2022, and new cattle yards provided in 2024.

Gilgandra Show Society Inc. is proud to present the annual Show as a celebration of our local agricultural heritage and ongoing achievements.

2026 represents the 110th Show held.
