Sponsored locally by Rohr's CRT Home Timber & Hardware

Crops are judged on apparent yield, trueness to type and purity, freedom from disease, evenness and condition, freedom from weeds, and farming practices.

Local winner qualifies for entry in the Agricultural Societies Council of NSW (AgShows NSW) Suncorp Dryland Field Wheat Competition.

For the AgShows NSW competition, the State is divided into four regions, each of which comprises various Show Societies and NSW Farmers' Associations who organise local competitions. Gilgandra is included in the Northern Region, along with Baradine, Barraba, Bellata, Bingara, Boggabri, Bourke, Burren Junction, Coonamble, Crooble, Croppa Creek, Delungra, Garah, Gulargambone, Gurley, Inverell, Manilla, Moree, Mungindi, Narrabri, Narromine, North Star, Nyngan, Tottenham, Walgett, Wialda, Warren, and Wee Waa.

The top five crops in each region are judged to determine the regional winners, from which the state winner is selected.

G.K. & L.H. Rohr Perpetual Shield

2025 Competition was won by the Bunter family, with a crop of Sunmax wheat estimated to yield 7.3t/ha.
